CLAIM FORM

Please fill out this Claim Form if you were an HSBC customer in the United States who incurred one or more overdraft fees on his/her HSBC Business or Consumer Account(s) as a result of posting transactions that included at least one debit card or point of sale transaction from highest-to-lowest dollar amount between December 17, 2004 and June 30, 2007 (the "Claims Period"). Do not submit a Claim Form for overdraft fees charged to you outside of the Claims Period. Please note that payments will be made only on overdraft fees that resulted from the highest-to-lowest posting order applied by HSBC. Those are the only fees at issue in the action.

You should read the Claim Form completely and carefully. Please print (or type) clearly in blue or black ink and attach copies of the required supporting documentation as explained below. Your Claim Form and required documentation must be postmarked or filed online no later than **June 6, 2016**. If you have any questions, please call 1-877-208-7488 or visit www.HSBCOverdraftSettlement.com.
